Tauranga Girls' College

A place of discovery

Stationery Lists for 2027 – Year 9

Tauranga Girls' College is a BYOC/D (Bring Your Own Chromebook/Device) kura. The Chromebook is our preferred device. The stationery and/or materials you have been asked to purchase below reflect increasing technology use for learning. Please refer to our website for more details about our BYOC direction, specifications and for FAQ's.

The following list provides the stationery requirements for all subjects **that are not** purchased through the college. Students need to identify the subjects being studied and purchase the requirements listed for those subjects only.

Staff will expect all students to have their stationery no later than **DAY TWO** of their 2027 school year. Purchases can be made anytime from now on.

Please note that there are other stationery (workbooks/materials) which are purchased through the college. These can be found on the parent information, available on the college website https://www.tgc.school.nz/parent-information.

Calculators

Students in Years 9, 10 and 11 require a scientific calculator. Students taking an academic maths program in Years 11, 12 and 13 require a graphics calculator. There are two types of calculators available. ***These prices may vary with depending on the retailer***

1 Casio FX-82A Plus Scientific calculator, cost about $48 or Tech.Inc 991 ES Plus.
2 Casio FX9860G111 or FX-9750G111 Graphics calculator. Cost about $194.
A Scientific (or Graphics) calculator is essential for all senior **Chemistry and Physics** classes.
