Te Aro Ako Online Bookings open

## Ngā mihi nui ki a koutou katoa. Warm greetings to you all

Ngā mihi nui ki a koutou katoa and warm greetings to you all. We hope you are enjoying the new format of our pānuī/newsletter. This information can also be found on our website ([www.tgc.school.nz](http://www.tgc.school.nz)), on a link to our FB page and on the Upschool app. We also value meeting you in person, so please take up invitations to spend time with us face to face.

## Te Ara Ako because learning is important

These are TGC learning conversations. This year all students (Yr 9-13) will be involved in these conversations, facilitated by their Whānau teachers. This is your opportunity to connect with your daughter's Whānau teacher and get an overview of her plan, achievement and engagement at TGC. Online bookings open 6 March, further details are in this newsletter.

## TERM DATES 2020

**Term 1** - 21 January - 9 April

**Term 2** - 28 April - 3 July

**Term 3** - 20 July - 25 September

**Term 4** - 12 October - tbc

## COVID-19 (CORONA VIRUS)

Be assured, we continue to be advised by the Ministry of Education and Ministry of Health regarding this virus. As communicated previously, we do not have any domestic or international students (or staff) who require to be 'self isolated' and nor do we have international students who have been travelling on the British ship the Diamond Princess. It is important to keep this virus in perspective (annually approx 500,000 people die from the common flu) and the media loop about the event is not helpful. The Human Rights Commission is urging Kiwis not to let "fears turn into ignorance, rudeness or racism" amid the coronavirus scare and I would appreciate your part in remembering this.

## BEHAVIOUR EXPECTATIONS

The TGC way is when we all follow the behaviour expectations. Our schools values of Respect, Participation and Pride guide us all. I want every student to be valued and that requires every student and her whānau to support us with that. Being kind, caring and friendly regardless of the situation always helps to keep things calm and stressful times and we have a large team of adults whose role it is to support this. This includes your daughters digital tattoo or footprint. Parents please help guide your daughter by ensuring you keep an eye on what she is saying or doing online, especially in Year 9 and 10 where they require a little more support to self manage.

## PĀNUI HUI

Tēnā tātou e te whānau. He karanga tēnei kia koutou, kia hui kia tūtaki ai i a mātou te tari Māori me ngā tauira whakahaere o te tau ki tō mātou kura. He wā paku kōrero me te kaitahi hoki.

Whānau should have received a hui invite as we are holding our first whānau hui of the year. This hui is to introduce our tari Māori and our Māori student leaders to you the whānau. This will be a meet, greet, and kai. We are very excited to introduce new staff and student leaders.

Nau mai haere mai koutou, Wednesday 26 February 5:30-6:30pm in the School Hall.

## SWEET TREATS

I am constantly in awe of my colleagues who give up so much additional time to provide opportunities beyond the classroom for your daughter. It is an expectation that every student attending TGC commits to at least one of those opportunities. So, it was nice to be able to recognise this with a sweet treat for all 130 colleagues last Friday!

## PROFESSIONAL LEARNING AND DEVELOPMENT

On Tuesday 25 February, the College will be closed. No supervision will be available for students at school. All colleagues will be engaged in Professional Learning at an off-site location. Investing in the adults who endeavour to support your daughter to be the best version of herself whilst at the same time growing their own professional capacity, is critical in any successful organisation, including TGC. We thank you for your understanding as we continue our whanaungatanga journey.

**YEAR 9 POOL  
PICNIC/WHĀNAU BBQ**

Thank you to those whānau who took the time to meet their daughters' teachers last week. It was a lovely way to connect with you in person and to show off our fabulous pool - one of our hidden gems. Many of you commented on the positive transition your daughter has made to College. We thank you for your part in that too.

Tumuaki/Principal

**SCHOOL BUS SERVICE**

All Rural and Bay Hopper School buses are operating for Tauranga Girls' College. Please note that many of the school bus routes for the Bay Hopper have changed this year so we advise you to check their website.

**ANNUAL ATHLETICS DAY**

On Wednesday 19 February, Tauranga Girls' College spent the day at the Tauranga Domain for their annual Athletics Day. The four houses, Mansfield, Freyberg, Rutherford and Batten went head to head in a battle of strength, skill and stamina. The day commenced with the 'Carnival' rotations which included cool events like puzzles, pool basketball and dodgeball at the next level (some of which the TGC prefects help put together). However, sprinkled throughout the day were the competitive events, which were jam-packed full of girls getting involved, showcasing their amazing athleticism and competitive spirit. It was awesome to see some of TGC's finest in full flight whether it be in the long jump pit, in the throwing arena or out on the track.

Congratulations to those who qualified for BOP athletics and to Rutherford who won the house chant competition and Freyberg who won the overall award for the day. Overall, Athletics Day was a success for all students and staff alike.

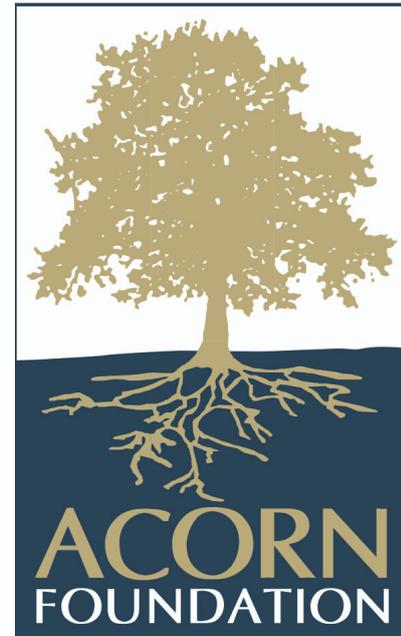

## ACORN FOUNDATION WALTERS FAMILY OVERSEAS TRAVEL AWARD

Tauranga Girls' College and the Acorn Foundation invite applications from students to apply for an Overseas Travel Award, from a fund of up to \$2,000.

The intention of this award is to provide a financial contribution to a worthy student(s) to pursue international travel as part of their personal growth and to enrich their life experiences.

Ideally, the scholarship will be awarded to a Year 11-12 student(s) who has demonstrated commitment to the school's values (manaakitanga, mahi tahi and mana motuhake), can demonstrate financial need and a commitment to funding a proportion of the trip themselves. They must have had limited overseas travel experience, and upon return will 'give back' to the College by way of service and leadership.

For further details, an Application Form may be collected from the Student Office.

### TERM ONE - TE ARA AKO THURSDAY 12 MARCH 8:00AM - 5:00 PM

Te Ara Ako are the Tauranga Girls' College learning conversations. This is an opportunity to connect with your daughter's Whānau teacher.

Whānau are invited to spend 15 mins with their daughter and her Whānau Teacher as they discuss the following at each year level:

Y9 - Connecting/KAMAR

Y10 - Connecting/KAMAR

Y11 - NCEA/Pathways

Y12 - Vocational/Pathways

Y13 - Graduate Profile

If your employer requires a letter in order to request time off work please contact the school office at [info@tgc.school.nz](mailto:info@tgc.school.nz) or on 07 578 8114.

Bookings open online Friday 6 March at <https://www.schoolinterviews.co.nz>

## WELCOME TO OUR NEW COLLEAGUES

**Sophie Enefer**  
**Food Technology and**  
**Hospitality Teacher**

Kia ora, my name is Sophie Enefer and I have joined the Technology team at TGC, I am originally from London but have been living in New Zealand with my family for 12 years. I have a passion and background in food product development, fine dining and event catering around the world.

Some of the work I have done has included cooking for former British Prime Minister's, Tony Blair and Margaret Thatcher, film premier's including Lord of the Rings and exclusive celebrity weddings including footballer John Terry. Food Technology and Hospitality offers so many exciting future career opportunities and I am looking forward to teaching and empowering our students in this innovative and fast paced subject area.

**Nicky Harte**  
**Earth and Space Science**  
**Teacher**

Kia Ora. My name is Nicky Harte. I am a passionate Earth and Space Science teacher with a degree in Environmental Science and Physics. I am very excited to be joining Tauranga Girls' in a full-time role having been part time at the College during 2017 and 2019.

My family and I moved from Auckland to Tauranga three years ago. I have two children aged 12 and 10 and my husband and I enjoy outings and holidays together with the family. I love the outdoors and in particular, I enjoy skiing, biking, being in the water, travelling and generally keeping fit (yoga and pilates). We also have three cats who are very important members of our family.

**Kiely Cummings**  
**Inclusive Learning**  
**Assistant**

Kia ora, my name is Kiely Cummings and I am fortunate to be working in the Learning Hub alongside some amazing colleagues. I joined Tauranga Girls' College in 2019.

I have been a teacher in NZ and London for over 20 years and have spent the bulk of my time working with students with learning differences. My interests include my family and friends, adventures in the outdoors, travel, food, music and reading.

He aroha whakatō, he aroha puta mai.

## WELCOME TO OUR NEW COLLEAGUES

**Our Learning Support team has been joined by four new Inclusive Learning Assistants (ILAs) this year  
from left: Rima Behere, Ruth Moore, Kiki Tahere & Sarah MacDuff**

### **Rima Behere**

I love meeting and being around people. I believe that every day is very special whether at home with my family or with my TGC family. Every day I see, learn and find something positive and memorable to take home with me. I feel privileged and very blessed to be involved in TGC.

### **Kiki Tahere**

Kia ora, My name is Kiki and I am 19 years old. I play rugby and have been playing since I was four. Outside of being an ILA, I am a lifeguard down at the Otumoetai Pools.

### **Ruth Moore**

Kia ora! My name is Ruth Moore and I am delighted to be a part of the amazing team of ILAs in the Learning Hub. I am married with two beautiful children, a 13 year old son, and a daughter who is 11. My family is my world. We moved to beautiful Tauranga two and a half years ago and love it here!

### **Sarah MacDuff**

Kia ora, I'm Sarah MacDuff and I'm excited to join the Learner Support team this year. Previously I worked in the Science Department before I left to have my two wonderful girls. You can find me enjoying time with my family or coaching a team of high flying brave trampolinists.

## WELCOME TO OUR NEW DEPUTY HEAD GIRLS

**Shenazzar Sta. Lucia**  
**Deputy Head Girl**  
**Arts**

Kia Ora tatou. Ko Mauao te maunga, ko tauranga moana te awa. No tauranga moana ahau, ko Sta. Lucia toku whanau, ko Shenazzar toku ingoa.

My name is Shenazzar Sta. Lucia and I'm honoured to be TGC's Deputy Head Girl of Arts for 2020. I'm blessed to not only have this role but work with some amazing young women alongside me. The Performing Arts Prefects: Morgan Barrimore, Avril Mathers and Jessica Zhang, the Visual Arts Prefects: Jessica James and Piper McConnell, and the Audio Visual Prefects: Isys Wesche and Georgina Wooller.

Being involved with a number of performing arts and music groups over my past three years at TGC, I've witnessed first-hand the responsibilities that came with being a leader in the Arts.

I admired the passion that these past leaders had and am excited to bring that same passion to TGC in 2020. This year I hope to bring my vision of strength in unity by working alongside our kura and improving friendships and relationships with both teachers and students to create a strong, united kura. If you see me around, whether it be walking around school or at rehearsal - or even at a competition, feel free to say hi and have a chat! Friendships start with the simplest exchange of kind words. Nō reira tēnā rā koutou katoa.

Talofa Lava, Bula Vinaka, Malo Ielei, Faakalofa lahi atu.

Ko Shanay Talopau toku ingoa. Ko moutere o Samoa raua ko moutere o Niue oku iwi. It is my honour and privilege to serve as the Deputy Head girl of Cultural Diversity for 2020 at Tauranga Girls' College.

For 2020, there are great things planned and I am so excited to see the cultural diversity grow yet again within Tauranga Girls' College. Our kura are lucky to have an amazing team of wahine as the cultural diversity prefects for 2020. This awesome team consists of the Kaupapa Māori Prefects; Kaiwhiri Pita-Grey and Shayla Kiwi, the Pasifika Perspective Prefects; Beerite Jason and Julie Nielson, and the International Prefects; Ri Yoo and Heesong Kim.

One of my biggest passions is cultural diversity, and it is my vision this year to see our kura embracing and respecting all the unique differences of each individual to encourage unity and inclusion. This year we intend to highlight the different culture and diversity expressed at Tauranga Girls' College, this way the wahine at our kura can have a sense of belonging. I encourage everyone at our kura to get involved this year. Whether you audition for Kapa Haka or be a member in Pasifika, take those opportunities offered to you, meet new people and learn new things. This way we can understand each other's differences and come together as one. Whiria Te Tangata; Weave the people together.

No reira, Faafetai Lava

## WELCOME TO OUR NEW DEPUTY HEAD GIRLS

**Parvi Goundar  
Deputy Head Girl  
Communications and  
Publicity**

Tēnā koutou katoa, ko Parvi Goundar tōku ingoa. It is my absolute privilege to be your Deputy Head of Communications and Publicity for 2020.

He aha te kai ō te rangatira? He Kōrero, he kōrero, he kōrero. What is the food of the leader? It is knowledge. It is communication.

I personally resonate with this whakatauki as it speaks to not only myself but to the vision I see for Tauranga Girls' College. I see students nourished in the rich culture and opportunities that TGC has to offer. I see students being informed about school events effectively. And lastly and most importantly, I see student voices being heard and put first. The Communications Committee aims to give everyone the potential to be a future leader.

However, this wouldn't be able to be accomplished without my amazing prefects. The Communications and Publicity Prefects are Taylor Graham, Katrina Opie, Tarandeep Kaur, Faria Khan and Courtney Thomas; whilst our Media and Publications Prefects are Olivia Hyde and Maia Youard. We also have the Board of Trustees Representative Teia Kahura on our team.

I have been involved and am passionate about all aspects of school life. From the academic activities like Chemistry and Speech comps, Biology Olympiad and Mooting, to Sports like Netball and Coaching, Squash, Volleyball and Tennis to Extra-Curricular events like Debating, Shakespeare, Environmental, Ball and International Committees to even Outside School Programmes like SADD, Summerhill and Duke Of Edinburgh.

I am a big believer in the fact that anyone can do anything if they just give it a go. So now I've been given the chance to give back to the school by advertising these events to students so that they can experience the incredible opportunities that TGC has to offer. My loud laugh can be heard from a mile away, so if you hear it when out and about, please feel free to say hi! I'm friendly I promise.

## ARTIST OF THE WEEK

### SCULPTURE 'MYTHICAL CREATURE'

When I heard we would be sculpture making, I almost instantly knew what I had wanted to do. My piece is heavily inspired by the Brahman cow breed. I fell in love with its creamy white colour and its floppy skin and ears, so I tried to exadrurate those features that I liked while making it. I also liked this particular breed because of the lazy and tranquil look about it, so I interpreted that into the piece as well as I could.

Raine Piddington, Year 11

Once I had finished the final sketches and decided on what I was going to be doing, I began the paper mache process, scrunching up newspaper into a rough shape and gluing paper towels over it to create more detail. Once that was done, I then used glue soaked toilet paper to make everything smoother, and make finer details such as the eyes and nostrils. I made the ears using card I had curled into a cone like shape, and used the same process of gluing paper over it. After that was complete, I added some colour here and there and a crown of flowers to top it all off. After all of this, my sculpture was finished.

## TUAKANA-TEINA PROGRAMME

At TGC we have been working on different ways to make our Year 9's feel well adjusted to their new school. Through our Tuakana-Teina program, we hope to create a special bond between our oldest and our youngest students. Trying to create a memorable bond, 13GLL hosted a Valentines themed kai for their Year 9 buddy class. With groovy music and cute snacks, it was truly a special atmosphere that the girls from 13GLL created. One that left the Year 9 girls with a smile and a Year 13 face they could call a friend.

### YEAR 9 SCHOOL PICNIC

The Year 9 School Picnic was held to help make the new Year 9's at our school feel more at home. Students alongside their families got to escape the hot summer afternoon with a nice dip into our cool school pool. Our TGC Prefects and Whānau Teachers also got the opportunity to mix and mingle with the different families and to learn more about each other. With the delicious sausage sizzle (with vegan and gluten-free options) and refreshing ice-blocks on offer, it's safe to say, the Picnic was a fun event for all.
