## Whānui Hui

Thank you to whānau who attended our hui last week. It was an opportunity to meet with our Leader of Learning Te Reo, Whaea Te Rangimarie and Whaea Kirimatao along with the Kaupapa Māori prefects and committee. Thank you also to those behind the BBQ providing us all with kai!

## Attendance and Learning

There is ample evidence to support the connections between attendance and its contribution to learning success at school. When absences occur, the opportunity to succeed at school also drops. If your daughter needs to be away from school, please ensure you keep us informed as we too want her to be the best that she can be and that means coming to school and engaging in all of the positive learning opportunities that occurs both in class and in extra curricular activities.

## SCHOOL OFFICE HOURS

The School Office is open from 8:00am to 4:00pm Monday- Friday during the school term.

## COVID-19 (CORONA VIRUS) UPDATE

Be assured, we continue to be advised by the Ministry of Education and Ministry of Health regarding this virus and remain in a 'keep it out' phase at TGC. There are now confirmed cases of COVID-19 in New Zealand. The chances of it spreading are low at the present time provided that we all do our part in this.

### What we all need to know and do:

- With the April school vacation nearing, **please ensure you inform the school** if you are travelling overseas during this time or anytime from now onwards. This is a precautionary measure only, so thank you for supporting us with this. Email the whānau teacher or Dean. I am asking this of teachers and support staff also.
- Be aware of the travel restrictions and self isolation requirements as per the [Ministry of Health Website](#) which is being updated daily.
- Keep good hygiene - use soap, cough into elbow, stay at home if unwell, use disposable tissues.
- If you feel very unwell, seek medical advice by calling your GP or ringing the healthline on **0800 358 5453**.
- **If you are overseas and borders close, or you have to self isolate, TGC will endeavour to provide you access to learning using Google classroom.**
- Self-isolation means staying away from situations where you could infect other people. This means any situation where you may come in close contact with others (face to face contact closer than 1 metre for more than 15 minutes), such as social gatherings, work, school, child care/pre-school centres, university, polytechnic and other education providers, faith-based gatherings, aged care and health care facilities, prisons, sports gatherings, restaurants and all public gatherings.

## TE ARA AKO BECAUSE LEARNING IS IMPORTANT

These are TGC learning conversations. This year all students (Yr 9-13) will be involved in these conversations facilitated by their whānau teachers. This is your opportunity to connect with your daughters whānau teacher and get an overview of her plan, achievement and engagement at TGC. Online bookings open 6 March for the actual event which occurs Thursday 12 March 8am-5pm. See further information on Page 4 of this newsletter.

## PAYMENTS

Payment can be made by **cash, cheque, eftpos or internet banking**.  
The College Bank Account is: ANZ: 01-0475-0055400-00.

Please quote student's name as reference – additional details of payment can be emailed to [fees@tgc.school.nz](mailto:fees@tgc.school.nz).

Cheques to be made payable to Tauranga Girls' College. If paying by cash or cheque, place the cash/cheque in an envelope with your daughter's name and tutor group. Payment envelopes are available at Student Reception. Ask your daughter to post it in the Payments slot in the Student Reception foyer.

You can access payment information via the [college website](#), Parent Info, Parent Portal. Fill in your username and password. If you are unsure of your username and password, please contact the school office.

## SUMMER TOURNAMENT

I thank those teachers, coaches and managers for their commitment to those codes participating in Summer Tournament competitions later this month. All teams should have bought home permission slips with details of their tournament, costs and time away from school. I look forward to sharing updates and results with you.

## ATHLETICS

### BOP Athletics

On Tuesday 3 March, 32 TGC Girls took part in the Bay of Plenty Athletics Championships at the domain. It was a very successful day for these girls, with 18 students qualifying for the Waikato Bay of Plenty Secondary School Championships on 18 March. All the students gave it their all and had a great day out. Not only did we have a lot of individual winners and students placing in the top four, we also had BOP records broken. A very exciting day for Tauranga Girls' College. The intermediate girls broke the 4x100m relay with a time of 51.2 and the previous record was 51.7. And Candice Pretorius broke the Junior girls 70m Hurdles with a time of 12.63, the record having been 12.91. Congratulations to all the girls who competed and represented the school so well.

### SCHOOL RECORDS BROKEN

Athletics Day 2020 was a fun day for all but it was also a great success for some individuals who broke the school records. We have very talented athletes at our school. These are the following records that were broken:

- Abi Wikeepa broke the Junior Girls 200 meters record with a time of 26.45 beating the previous record of 26.6 in 1979.
- Saskia Rhind broke the Junior Girls Shot Put getting 10m 72 and the old record was 10m 66 She also got the new record for Junior Girls High Jump, jumping 1.54m.
- Olioli Mua got the new record of 11.07 in the Senior Girls shot put (old 10.33 in 1976).
- Kayli Tuiraviravi got 30m 6 in the Senior Girls Javelin beating the old record of 27.75 in 1990.
- Romy Fischer got 11.69m in the Senior Girls triple jump (old record 10.86 in 1995).

Congratulations to all these girls but also to all participants on the day.

## ACORN FOUNDATION WALTERS FAMILY OVERSEAS TRAVEL AWARD

A reminder about this generous Travel Award.

Tauranga Girls' College and the Acorn Foundation invite applications from students to apply for an Overseas Travel Award, from a fund of up to \$2,000.

The intention of this award is to provide a financial contribution to a worthy student(s) to pursue international travel as part of their personal growth and to enrich their life experiences.

Ideally, the scholarship will be awarded to a Year 11-12 student(s) who has demonstrated commitment to the school's values (manaakitanga, mahi tahi and mana motuhake), can demonstrate financial need and a commitment to funding a proportion of the trip themselves. They must have had limited overseas travel experience, and upon return will 'give back' to the College by way of service and leadership.

For further details, an Application Form may be collected from the Student Office. **Applications close Friday 13 March at 3:30pm.**

### TE ARA AKO THURSDAY 12 MARCH 8:00AM - 5:00 PM

A reminder that Thursday 12 March is the Tauranga Girls' College Te Ara Ako learning conversations day, for ALL year levels.

By now you will have received your daughters Learning Behaviour report which includes this link <https://www.schoolinterviews.co.nz/> (code: 7ff66) to make a 15 minute interview with her whānau teacher.

This is a great opportunity to connect with your daughter's whānau teacher, hear how she has settled into the year, discuss pathways going forward and find out how to use the KAMAR portal to access information

## A WARM INVITATION TO HEAR ABOUT SAFE SOCIAL MEDIA USE

We are always exploring ways we can support not just our students but their whānau during their time with us. Earlier this year our Year 9 and 10 students listened to a guest speaker deliver important messages about social media presence and use. We would now like to invite you to listen to the same guest speaker as she shares the same messages with our whānau and community on Monday 16 March 6:00pm.

Tessa Gray is an educator who is an e-learning specialist. She supports education providers to develop their e-learning on behalf of the Ministry of Education. Tessa often presents at conferences at a national level and to student and parent groups about keeping and supporting teenagers safety online.

The session will run from 6pm in the school Hall for approximately an hour. We look forward to seeing you.

## WELCOME TO OUR NEW DEPUTY HEAD GIRLS

**Rebecca Eggersglusz**  
**Deputy Head Girl**  
**Learning**

Tēnā koutou katoa, ko Rebecca Eggersglusz tōku ingoa. Kia ora, my name is Rebecca Eggersglusz and I have the privilege of being your Deputy Head Girl of learning for 2020. I have a great passion and have been involved in many aspects of what this role has to offer. My vision for the year is to see; our school involved in more community events that are not really focused on, the well-being of the TGC family to improve in all 4 aspects, for our school to become more "tech savvy" and to see at least half of the students become more aware on the impact they have on the environment.

I am so honoured to work alongside the amazing Learning Prefects; Elena Broadfoot (Student Well-Being), Clara Araujo Codeco (Student Well-Being), Kiefer Davies (Community), Tess Esterman (Community), Jessie Chang (Kaitiakitanga), Flora Larsen (Kaitiakitanga) and Caitlin Wheeler (Techie).

We already have many exciting ideas for the year ahead and I am so pumped for 2020!

Ever since Year 9 I have loved getting involved, whether it be playing hockey, making films, joining committees that will help make an impact or just getting stuck into class work. I have looked up to all the leaders throughout the years and have admired how they have given back to TGC. So now I am so excited to allow girls the opportunity to get involved and to give back to our school in any way possible. I really hope to get to know more of you and build more friendships across the year levels, so feel free to say hi when you see me around.

Nō reira tēnā rā koutou katoa.

**Grace Pua**  
**Deputy Head Girl**  
**School Spirit**

Kia ora  
Ko Mauao te maunga  
Ko Tauranga Moana te awa  
Ko Pua toku whanau  
Ko Grace toku ingoa

Hi, my name is Grace Pua and I have the exciting privilege of leading the school as the Deputy Head Girl of School Spirit for 2020!

I am really looking forward to an exceptional year, continuing to foster the awesome school spirit I have watched grow over the past few years. Alongside me is my team of amazing wahine who will lead their Houses with pride and enthusiasm, and who I know I will have a lot of fun working with! They are: Ellie Richardson and Mia Krueger-Reedy, who are the House Leaders of Freyberg; Maggie Sandford and Kate Vernall who lead Rutherford House; Mansfield House leaders Jaymee Hill and Mereana Moana and finally the House Leaders from Batten, who are Lucy Jensen and Nensi Patel.

My belief is that school shouldn't just be about education. It should be about enjoying the time spent there, growing your knowledge, your friendship and your experiences. And it should be fun with a small but healthy dose of House competition! This year I'd love to see girls putting themselves out of their comfort zone, and stepping up as proud and active members of their House, their class and our school.

My team and I look forward to helping and encouraging everyone to do that.

Nō reira tēnā rā koutou Katoa

## WELCOME TO OUR NEW DEPUTY HEAD GIRLS

**Olive Pearce**  
**Deputy Head Girl**  
**Sport**

Tēnā koutou katoa. Ko Victoria te maunga. Ko Hutt River te Awa. No Lower Hutt ahau. Ko Pearce toku whanau. Ko Olive Pearce toku ingoa.

I am honoured and excited to be the 2020 Deputy Head Girl of Sport at Tauranga Girls' College.

With me this year, I am privileged to work alongside not only some incredibly hard-working girls, but also sporting superstars in their respective codes; Kayli Tuiraviravi, Scarlett Brain, Casey Loader and Paris Allum. I am already loving working alongside these girls in our effort to achieve many of our goals we have set for Sports at TGC for this year.

From the early days of being a Year 9 and setting foot in the TGC kura, I was amazed at the abundant sporting opportunities that are available here; should you wish to pursue them. It is our aim to get students from every year level to find the courage to get involved in sport, continue their sporting passions and go on to form lifelong lasting bonds that they will cherish forever. I am a firm believer in saying that there is a sport for everyone; it doesn't matter if you have never played it before. And in finding courage to give sport a go, I have full faith in the ability of Tauranga Girls' College to support and foster this attitude and maximise your sporting potential in 2020 and into future years.

Nō reira, tēnā koutou, tēnā koutou, tēnā koutou katoa.

## ARTIST OF THE WEEK

### CONTEMPORARY MĀORI ART

#### TITLE: TE HAERENGA Ō TE MANU - PHOTOGRAPHIC ART

My inspiration for this photography series comes from experimenting with a DSLR camera and lensbaby for the first time. I explored the conventions of movement, blur, layering, texture, colour and tone. I used projected tīrairaka and photographed through a piupiu using a manual focus lensbaby to get the distorted effect. To get an underwater feeling I sprayed water onto glass and photographed my subject through this.

### NZDC WORKSHOP

Our senior dance students experienced a day in the life of a professional dancer working alongside dancers Ngaere and Elijah from The New Zealand Dance Company.

Students were put through their paces with a 1.5 hour long warm up and technical class before learning an excerpt from the company's latest work 'This Fragile Planet' which will be used as a performance assessment.

### SURF LIFESAVING

Congratulations to Jess Pilbrow (Year 9) who received two Gold medals at the Oceans 20 U14 SLSNZ National Event. She received a Gold in the U13 Run Swim Run and a Gold in the U13 Surf Race. This is an amazing achievement.

### SPORTS' GIRL OF THE MONTH MEREANA MOANA!

Congratulations to our first Sports' Girl of the Month for 2020 Mereana Moana (Year 13).

Mereana is competing in Waka Ama for the Puutake Ake team and has qualified for the world Waka Ama Sprints held in Hawaii in August.

Thanks to Smiths Sports Shoes Tauranga, Mount Maunganui & Papamoa for sponsoring this award by generously giving a \$50 voucher and bag to our winner.

### DEBATING

Congratulations to our Debating team made up of Year 11 students Hunter Ririnui, Ella Mitchell, and Maia Hulton-Wells who won 4 out of 4 debates in the Bay of Plenty Regional Debating Tournament over the weekend.

The girls advanced into the final against Tauranga Boys' College where they won the tournament trophy!

Special mention goes to Ella Mitchell who won Best Speaker and was named in the Bay Of Plenty Regional Debate Team to represent Bay of Plenty at the New Zealand Schools' Debating Championships and Maia Hulton-Wells who was named in the Development Team. Thanks and congratulations also to the proud teacher in charge Mr Chris Rumbold.

## STUDENT ACHIEVEMENTS

### BOP SECONDARY SCHOOLS TRIATHLON

On Tuesday 25 February, six girls headed to sunny Ohope to compete in the Bay of Plenty Secondary Schools Triathlon. It was an early start for these girls but they were ready to go.

There was an U16 team made up of Bianca Enright, Olivia Hala and Lily Keogh. These girls unfortunately had an equipment failure and injury during their race giving them a bit of a set back but they still managed to come away with joint third place.

Next up was the U19 girls made up of Maia Flint, Emily Pilbrow and Teia Kahura. They were up against some of the top individuals in secondary schools Triathlons. The girls had a great race finishing first girls team. Well done to all those involved, great effort.

### FRUIT DONATED FOR FESTIVAL OF ATHLETICS

We would like to thank Dave and his team from the Fresh Market in Gate Pa shopping centre for their very kind donation of fruit (worth \$500) to our Tauranga Girls' College Festival of Athletics, which was held Wednesday 19 February at the Domain. The Learning Committee handed out the fruit to all the students when they had a break from their sporting activities and it was well received by everyone. It certainly helped keep students' energy levels up on very a hot day. We would like to encourage all our student at Tauranga Girls' College and their whānau to support Fresh Market.

## INTERNATIONAL

### TGC INTERNATIONAL STUDENT SELECTED TO BE PART OF THE ENZ 'I AM NEW CAMPAIGN'

A Tauranga Girls' College international student has been selected by Education New Zealand for their 'I am New' video campaign. Education New Zealand (ENZ) the international branch of the Ministry of Education, is launching a new digital campaign called 'Conversations with New Me'. They are planning to follow a group of international students on their study journey, filming them shortly after they arrive and then again a few months later to capture the transformation that happens to a student during their study experience.

ENZ chose two regions of NZ to apply, Christchurch and Bay of Plenty. All schools were asked in these regions to nominate two new students. Mrs Clifford selected two students who she thought would fit their criteria. From there the ENZ video director and International Brand Engagement Manager, asked one student to undertake a video conference.

We are very pleased to announce that Rin Onishi, a student from Japan, was selected by ENZ to be one of the new faces for their new digital campaign. She will be representing TGC and the Bay of Plenty region. Congratulations Rin.

### INTERNATIONAL ORIENTATION CAMP

Tauranga Girls' College International Department held a three day orientation camp at the Top 10 Holiday Park in Waihi Beach in Week 2. This was an opportunity for new and returning International students to come together and foster new relationships.

Day 2 was held at the Waihi Beach Surf Life Saving Club with students being taught beach safety by the Surf Life Saving Beach Education team. Students learnt what were beach hazards, what they could do to keep themselves safe and how to identify a rip. They were then split in to three groups; confident swimmers, not so confident swimmers and students who had never swum before. Activities were designed for each group's ability and it was wonderful to see students who had never swum before at the end of the day frolicking confidently in the surf.

Visits to Orokawa Bay, Owharoa Falls and Karangahake Gorge windows walk introduced the students to the lovely BOP scenery.

The final evening saw a concert held by the students showcasing their talents and abilities.

## CAREERS

### AUCKLAND UNIVERSITY VISIT

On Thursday 27 March, Tauranga Girls' College had a presentation from Millie Rowan the Schools Adviser from the School Partnership Office at the University of Auckland. She gave more than seventy Year 12 and 13 girls information about all the ins and outs of university life. She detailed what courses are available and how to apply for them. She shared information about accommodation and about all the fun clubs and extra activities students can get involved in. Many of the girls who attended found it very helpful, with most commenting about the courses and papers detail, conjoint degrees and scholarship information.

Millie commented "They were a fantastic group of girls and so dedicated turning up in their free time".

### MONEY HUB

MoneyHub, a consumer finance website, has published a guide to hundreds of scholarships for any student planning to start university in 2021. The comprehensive list includes scholarships offered by every university as well as those specifically available to local students. A list of privately-funded, Māori, Pacific and International university scholarships completes the list.

**Student CV Templates** - Students can stand out in the crowd with their comprehensive CV template, guide and tips.

## "FUTURE READY" WORKSHOP

On 24 February a group of Year 12 and 13 Geography students were fortunate to attend a "Future Ready" workshop held at the council offices on Willow Street. The workshops were conducted with interest groups across the city, including councillors, iwi, and residents associations. Our students provided the important student voice. The workshop was a thought provoking and interactive learning exercise which provided students with an opportunity to delve further into the issues that face Tauranga as a city as well as issues that will become more pressing in the future. The workshop was facilitated by WSP, an organisation with a focus on preparing our society for the future. After an overview of some of the big trends we are currently facing across the topics of technology, society, resources and climate, students worked in small groups to discuss how we might prioritise and tackle these issues in Tauranga. It was a great opportunity for students to have their say in the future of their city.

Students who attended were Teia Kahura, Flora Larsen, Nakeisha Jarvis, Shinae Stewart, Brooke Poutawera, Libby Coster and Haley Dawson.

ON 26 FEBRUARY THE LEVEL 2 GEOGRAPHY CLASS SPENT THE DAY TRAMPING ON THE TUAHU TRACK IN THE KAIMAIS. A REQUIREMENT OF THE GEOGRAPHY RESEARCH INTERNAL ASSESSMENTS IS TO COLLECT PRIMARY DATA SO OUR TRIP ALLOWED STUDENTS TO DO THIS AS THEY CLIMBED TO THE TOP OF THE KAIMAIS. IT WAS A BEAUTIFUL, CLEAR DAY WITH STUNNING VIEWS FROM THE TOP INTO BOTH THE BAY OF PLENTY AND WAIKATO. A GREAT DAY WAS HAD BY ALL AND STUDENTS CAME BACK WITH REAL DATA TO PROCESS, PRESENT AND EXPLAIN AS THEY FINISH UP THEIR RESEARCH.

AUDITIONS TOOK PLACE LAST WEEK FOR OUR INAUGURAL TGC SHOWQUEST TEAM FOR 2020. THIS IS A NATIONAL INTER SCHOOL COMPETITION THAT CELEBRATES THE PERFORMING ARTS. A STRONG TEAM OF 50 PERFORMERS HAVE BEEN SELECTED. ALONGSIDE THE ONSTAGE TEAM. THERE IS ALSO A TEAM OF APPROXIMATELY 20 OFFSTAGE STUDENT CREATORS WHO WILL BE WORKING TO DESIGN AND IMPLEMENT CHOREOGRAPHY, COSTUMING, MUSIC, DRAMA, DIGITAL PROJECTIONS, LIGHTING, MAKE-UP, AND PROPS.

This year's theme combines Dance, Drama, Art, Music, and Technology, to give a unique Aotearoa/New Zealand perspective on the impacts our generation are having on our environment. The piece opens with Papatūānuku giving birth in an abstract form to Tangaroa (God of the sea), Tāne-mahuta (God of birds and forest), and Tāwhirimātea (God of Weather). Each of these Gods are depicted in Dance form showing the juxtaposition of beauty and destruction as a result of our actions. The piece ends symbolically to reflect the journey of life and with birth comes death. It poses a question to the audience about where we stand on this issue.

The girls selected for this performance will not only gain cool experiences but positive friendships as they work together, to deliver the best performance they can.

Congratulations to those students who were successful in being offered a place. We look forward to following the team on their journey to performance on 3 June at Trustpower Baypark stadium.

## PHYSICAL EDUCATION STUDENTS

Level 2 Physical Education Students have ventured out of the classroom over the past two weeks to complete practical work for an Internal assessment.

Students provided encouragement and support for others while they experienced "Rafting the Kaituna" and "Mountain Biking the Redwoods". They challenged themselves by testing their balance, strength and agility at Adrenalin Park, a multi-level aerial obstacle course where the levels progressively get more difficult the higher you climb.
