

The Health Benefits of Properly Sized School Shoes

Children wear their shoes for over 30 hours a week, if their school shoes are uncomfortable or they are not the right fit, this could lead to both long term podiatry issues and short term grumbles for parents to deal with. Here at NZ Uniforms we pride ourselves in offering a large range of School shoes for the perfect fit.

Being squeezed into ill-fitting shoes can definitely affect a child's mood; therefore comfort needs to be a factor when choosing the right pair of school shoes. Sometimes fashion can overrule the need for comfort, especially in older children; therefore it is important to stress how important it is for later life that they opt for a pair that offers the right support and flexibility. We've tried to adapt our range of school shoes to incorporate on trend styles.
