Tauranga Girls' College Prospective Residential Caregiver (Homestay) Information Sheet

Thank you for taking the first step to enquiring about hosting an International Student.

Please find enclosed a copy of the:

Residential Caregiver (Host Family) Details Form
Residential Caregiver (Host Family) Agreement
Police Vetting Form

Please fill in all the attached forms and return them back to me.

All family members 18+ living in the home will be required to fill out a Police Vetting form. They also need to provide two forms of I.D either passport, drivers licence, birth certificate or fire arms licence. One of the forms of ID must be photo ID.

Police vetting can take up to one month for results to be released. Until these results are released, we are unable to offer you any students. I need to sight the originals of all these documents and ask you make an appointment to bring them into my office

Tauranga Girls' College
930 Cameron Road
Gate Pa
578 8114 ext 729

Once your results are released you will be notified and I will then make an appointment to do a home interview and inspection.

I will also require an **official** copy of your bank details for the account you would like your homestay payments paid into and a range of photos of your family and home to make a profile to send to prospective students' agents and family.

We will contact you if we have students whom we feel would be a good fit with your family. If you are interested, we then send your profile to their agent for approval. If we receive approval, you will be notified you have been successful. Do not feel bad if you are not approved as often, students' families are looking for specific requirements in a host family, which we may not have been informed about.
