Ngā mihi o te wā kia koutou ngā putiputi ātaahua o te kura nei.
Greetings to all the beautiful flowers that adorn our kura.

In 2022 students are invited to join a Māori Vertical Whānau group. Students will come from a variety of houses to make up 2 Māori Whānau groups. You don't need to be Māori to be part of one of these, but you need to have a passion for Te Ao Māori.

He paku tonu tēnei ki te uru mai koe ki roto i ētehi o ngā whare o ā māua ko Whaea Kirimatao. Please write a small kōrero about your reason for wanting to join one of the whānau groups under Whaea Kirimatao or Whaea Te Rangimarie.

E hiahia ana māua ko Whaea Kirimatao ia koutou katoa, engari me kite i te tuatahi pehea ngā nama e hiahia ana te uru. While we would like everyone interested to be a part of this, numbers are restricted.

If you are interested, please return the form below with your Enrolment Application.
