

## Stationery Lists for 2024 – Year 11

Tauranga Girls' College is a BYOC/D (Bring Your Own Chromebook/Device) kura. The Chromebook is our preferred device. The stationery and/or materials you have been asked to purchase below reflect increasing technology use for learning. Please refer to our website for more details about our BYOC direction, specifications and for FAQ's.

The following list provides the stationery requirements for all subjects **that are not** purchased through the college. Students need to identify the subjects being studied and purchase the requirements listed for those subjects only.

Staff will expect all students to have their stationery no later than **DAY TWO** of their 2024 school year. Purchases can be made anytime from now on.

Please note that there are other stationery (workbooks/materials) which are purchased through the college. These can be found on the parent information, available on the college website <https://www.tgc.school.nz/parent-information>.

<b>NCEA Assessment</b> 1 Clear File (20 pages)	
<b>Calculators</b>  Students can purchase calculators through the mathematics teacher. There are two types of calculators available. <i>These prices may vary with supply.</i> 1 Casio FX-82APlus Scientific calculator. Cost \$48. This calculator meets most students' needs across all subjects. 2 Casio FX9860G111 or FX-9750G111 Graphics calculator. Cost \$194. This calculator is highly recommended for students taking an academic Mathematics course in the senior school. A Scientific (or Graphics) calculator is essential for all senior <b>Chemistry and Physics</b> classes.
