

Tauranga Girls' College

The School of Choice for Girls

Stationery List 2022 – Year 9

Tauranga Girls' College is a BYOC/D (Bring Your Own Chromebook/Device) kura. The Chromebook is our preferred device. The stationery and/or materials you have been asked to purchase below reflect increasing technology use for learning. Please refer to our website for more details about our BYOC direction, specifications and for FAQ's.

The following list provides the stationery requirements for all subjects **that are not** purchased through the college. Students need to identify the subjects being studied and purchase the requirements listed for those subjects only.

Staff will expect all students to have their stationery no later than **DAY TWO** of their 2022 school year. Purchases can be made anytime from now on.

Please note that there are other stationery (workbooks/materials) which are purchased through the college. These can be found on the fees lists, available on the college website www.tgc.school.nz/our-school/enrolment-information/stationery-fees-lists.

Calculators

Students can purchase calculators through the mathematics teacher. There are two types of calculators available. ***These prices may vary with supply.***

- 1 Casio FX-82APlus Scientific calculator. Cost \$35. This calculator meets most students' needs across all subjects.
- 2 Casio FX9860G111 Graphics calculator. Cost \$125. This calculator is highly recommended for students taking an academic Mathematics course in the senior school. A Scientific (or Graphics) calculator is essential for all senior **Chemistry and Physics** classes.
